

TSP Launch Pad Desk Space and Virtual Service

TSP Launch Pad Desk Space

Following the completion of the Tamar Science Park's new Phase 4 development we are happy to announce that our new 'TSP Launch Pad' rent a desk space is now open. A fully furnished office environment, designed to encourage and support the creation of new knowledge based businesses providing a prestigious business address to enhance the company's profile. Providing a private desk unit with secure storage and access to a choice of IT services as well as a communal meeting room and break-out area. A well positioned multi-purpose facility creating an exciting new hub

of activity for the park.

The all inclusive rental costs help take the uncertainty out of business planning and include many advantages over working from home, such as providing 24/7 access and onsite business support as well as benefiting from the Parks other added value services.

For clients located in the TSP Launch Pad facility within Phase 4, TSP offer a bundled package of ICT Services included in your desk space rental aimed at getting you communicating FAST. Once client needs have been discussed and service requirements specified, the ICT QuickStart service ensures you have access to digital communications immediately upon your arrival with no lead time. As a fully managed service, this allows you to concentrate on what you do best - developing and growing your business ideas!

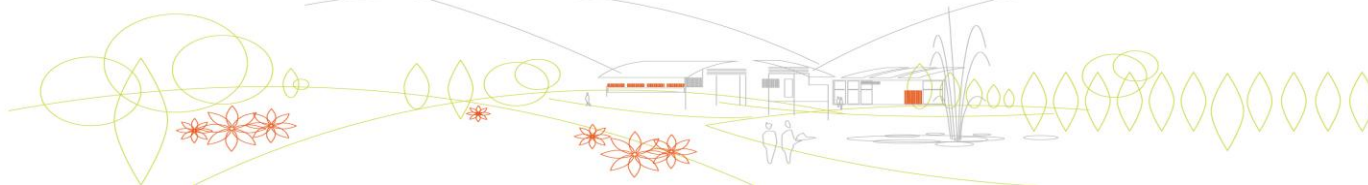

Services Include:

- ICT Hardware lease or purchase (at preferential rates)
- Free TamarNet Lite Broadband connectivity*
- Free rental of advanced VoIP handset with Bluetooth capability
- Free line rental with advanced business features
- Preferential call tariff and free internal calls
- Access to wireless Hotspots for your visitors
- Multifunction printing, copying, fax and scan-to-email facilities
- Onsite desktop, network and telephony support (Provided by an IT company on site)

*See separate TamarNet data sheet.

For more information on ICT Quick Start please contact TSP ICT Services on 01752 764812 or email ICT@sciencepark.org.uk
